CHRYSLER EXPO QLD
for latest details.

The 2019 Expo was the biggest 'car type' show at Rocklea Showgrounds in the past five years and was the first with a vintage and historic theme.

AN INVITATION TO SPONSORS, TRADE STALL PRESENTERS AND SWAP MEET SELLERS TO JOIN US IN 2021:

Chrysler Owners' Car Club Qld Inc. (COCQ) invites you to participate in the 31st anniversary presentation of the *Chrysler Expo*. This year's event will include the presentation of Chrysler and allied marque cars together with vintage and historic trucks, buses, taxis, fire engines, ambulances, speed cars, motor cycles, mopeds, Penny Farthing bikes and other historical cycles, stationary engines *and more*.

We at COCQ are confident that this combination of vintage and historic with sound-stationary engines and historic bicycles being ridden, is a huge success with wide appeal for Dad, Mum and the kids, all on Sunday 21st March.

Not an all day event, just from 6am to 2pm. There's nothing else like this event in Brisbane. It's a first. If you've been to the *Combined Arts Fair* in Toowoomba, which is a combination of attractions, you will have seen such an event attracts a *lot* of people. At COCQ, we think with this program, and supported by publicity and advertising, will be a great event and will grow in future years to be popular and a premium event in Brisbane.

The 2019 Expo was a great success, with a record crowd, exhibits, swappers and trade stalls. 2021 promises to be bigger and better.

Accordingly, we at COCQ invite you to be involved as a sponsor, trade stall presenter, or swap meet seller. All inquiries should be directed to the President, Graham, on 0414 809 498.
