PRESIDENTS PEN

Presidents message at the beginning of July 2023

Hi all, welcome to this month's Presidents message. I suppose I need to mention the 2 – 0 lead Queensland has in the Origin series, "Go Maroons" for a clean sweep coming up soon!

On a more sombre note, I wish to advise members that our valued member Mick Maxwell is facing a substantial health issue which has arisen quite recently. To Mick and his family, all our thoughts are with you and we all wish you the very best and offer our support if required.

We recently took possession of a 3 x 3 metre shed located at the Carindale club rooms. The plan is to use this to store club equipment in one central place rather than be distributed among many members sheds, including mine. Please let us know if you have any equipment you want to place here.

In July we have 2 runs being planned. Firstly we have 15 people interested to travel to Miles on Saturday the 22nd of July for a two-night stay returning to home on Monday the 24th. If you are interested, it would be prudent to book accommodation promptly as there isn't too much available. I have booked at the Crossroads Cabins and Caravan Park just opposite the museum. Cabins are available here or there are other motels in town to choose from. On the following weekend, Mopar Sunday is being held as usual. Further details will be provided soon.

In August, we also have 2 club runs arranged. Plans are underway, with the QCA club taking the lead at present, for all 4 local Chrysler clubs to go on a joint run to be held on the 13th of August. This includes our club, the QCA, the R&S club and the Tweed club. The venue is the Lions AFL Club in Springwood. On the following weekend, the 20th of August, our club is planning a run up to Rick's Garage in Palmwoods.

Stay tuned and further advice will be issued closer to the date.

Expo planning is proceeding and in July we will be approaching members to put their hands up to become volunteers for the Expo event on September 10. There are many jobs to be done including collecting money and marshalling cars and parking them appropriately. If we can get people to give a few hours of their time the event can run smoothly and everyone has a great day. As usual we will provide 2 food items and as many drinks as you require to keep people satisfied. When the call comes, please register and also let us know if you are an early riser who would love to start at 6 am or perhaps not!

This month's club meeting will be on the 19th of July with the Expo meeting prior. We hope to have more members at this month's meeting so we can hand out bundles of Expo Flyers for distribution at Brisbane Automotive outlets to promote our great day, please come along. I look forward to seeing you there.

Enjoy your rides people, look forward to seeing you all real soon, cheers for now.

Greg Holburt

"Imperial" most expensive U.S. car to enter Aust.

Mr. V. Keane, of Adelaide, is the owner of this Imperial Le Baron, which is being inspected by Chrysler executives. Its many features and luxury appointments are too numerous to name, the outstanding items being—Electric door locks,

magnificent pigskin trim, automatic headlamp dippers, custom-built Airtemp air conditioning, electrically-operated windows and 6-way adjustable power-operated front seat.

Chrysler Turbine Car Causes Stir in Sydney

After its visit to Adelaide in November, 1963 (see December issue), the world's first production model turbine-powered car made a three-day visit to Sydney.

Wherever the turbine car appeared, crowds quickly formed to see the very latest in automotive engineering and design. Whilst moving along, heads quickly turned when the unfamiliar turbine note announced its arrival.

(Above) Schoolboys at Brookvale, near Sydney, show keen interest in the turbine car as it moves off for still another test drive for press and motoring correspondents.

(Left) Mr. J. Sherwood (left), Secretary of the Royal Automobile Club of Australia, inspects the turbine car before his demonstration drive through Centennial Park from Harden & Johnston headquarters, Chrysler's N.S.W. distributors.

We are looking forward to seeing you and your Chrysler at one of our Monthly General Meetings, EXPO Meetings, Club or Impromptu Runs & Chrysler EXPO. We have many resources such as our Library, Friendly and Passionate Members who love to share their acquired knowledge and we have strong links & association to other clubs.
